## What you need to know

### Blue Card Reporting

The Central Conference will implement a new 'Blue Card' game day behavioural reporting system.

After each game, our MC umpires or MDO's will rate the Coaches Box behaviour and Spectator Behaviour either as *Excellent, Satisfactory or Unsatisfactory. (i.e. one two or three stars)*

Any Coaches Box or Spectator Behaviour classed as 'unsatisfactory' will warrant a *Blue Card* for each offence.

The Central Conference will deduct *1x E-Point*, if a team receives 2x Blue Cards in a game.

- Unsatisfactory Coaches Box Behaviour = Blue Card
- Unsatisfactory Spectator Behaviour = Blue Card

WAFC MC Competition Administration will inform Club Presidents during the week if they received a Blue Card for their Game Day Environment.

- 4.) The Umpire will advise the players of the reasons for the official spectator/match official warning.
- 5.) Play will resume at the last act of play with a ball up.
- 6.) Should the spectator /official in question or another cause any further breaches, the game will be stopped by a blow of the whistle.

  - True Sport Coaches Code of Conduct
  - True Sport Parent & Spectators Code of Conduct
  - True Sport Players Code of Conduct
  - True Sport Runners Code of Conduct
  - True Sport Umpires Code of Conduct
-

**Please Note:**

Following receipt of the second breach, the club in question will be penalised, *resulting in the loss of E. Point/s.*

With respect to the E Point system, final consideration on the loss of E Point/s will be made by the Metro Central Competition Administration, after considering the match report documentation and any other matters.

The Metro Central Administration make no apologies for taking a tough stance in our 'zero tolerance' policy towards unsatisfactory game day behaviour as we strive to provide the ultimate in game day environment.

The system deters players coaches and parents from engaging in negative game day behaviour. The E point model will apply to all youth competitions.

**WAFC Match Day Official**

A warning may be issued immediately or at the next quarter break by a WAFC Match Day official or authorised umpire official who deems off-field behaviour to be unacceptable. The WAFC match day official is to report the breach to both team managers.

Behaviour may be deemed unacceptable if the WAFC match day official considers it inappropriate, offensive, aggressive, unpleasant, threatening or not in the spirit of the game.  
Breaches may be contrary to any of the True Sport Codes of Conduct.

Yours sincerely,

Dee More
